#### CONSENT TO USE AND GIVE OUT MY PRIVATE INFORMATION

Client's Date of Birth

I agree that anyone who has private information about me or the people who usually live with me can give it to the Montana Department of Public Health and Human Services (DPHHS) if DPHHS needs the information to see if I am eligible for help. They can also give it to people who work for DPHHS. Some examples of people who can give my information to DPHHS are employers, landlords, banks and credit unions, the IRS, the Bureau of Indian Affairs and Social Security. This is not a complete list of everyone who can give DPHHS my private information if I sign this paper.

I agree that DPHHS and people who work for DPHHS can use and give out my private information to see what help and services I can get from DPHHS and other publically funded agencies (federal, state, local) that help people in need. DPHHS has to keep my information private and use it only to do the things I agree to by signing this paper.

I agree that DPHHS may give private information about me to the police, the courts and government agencies so they can look into possible fraud, theft or other criminal activities.

I agree that private information DPHHS gets from my application for housing help or anywhere else will be kept in DPHHS' computer (electronic database). DPHHS may give information about me stored in its computer to other government agencies to meet reporting requirements.

My consent to use and give out information will end automatically when I stop getting housing help from DPHHS or one year from the date this Consent was signed, whichever thing happens first.
