AGENCY STRATEGIC GOALS / OUTCOMES FOR 2023-2028

GOAL #1: Develop relationships and create initiatives with our community partners that empower low-income community members to prevent and successfully navigate crisis situations in their lives and the environments that perpetuate them.

GOAL #2: Expand awareness and accessibility to our programs and services throughout our service area by increasing outreach and broadening strategic partnerships.

GOAL #3: Through private and public collaboration, develop our capacity to increase the supply of affordable housing options within our service area.

GOAL #4: Continually improve organizational systems that fosters a culture of accountability, consistency, and efficiency to enhance internal operations and service delivery.

GOAL #5: Engage with existing and newly formed funding sources to create expanded capacity to serve.

CORE PRINCIPLES

Recognize the complexity of the issues of poverty Build local solutions specific to local needs Support Family Stability as a foundation for economic security Advocate for systemic change Pursue positive individual, family, and community level change Maximize involvement of people with low incomes Engage local community partners and citizens in solutions Leverage state, federal, and community resources Maximize service delivery in a safe, structured culture

NEEDS
